Location: St. Joseph's Church

818 N. East Ave., Waukesha, WI 53186

St. Joseph's Catholic Church would like to invite all the Waukesha parishes: St. Mary's, St. John Neumann and St. Williams to join us for the Celebration of St. Joseph's Feast Day. We are excited to have Archbishop ListECKI with Fr. Javier Bustos, Fr. Howard Haase, Fr. Curt Frederick and Fr. Josè Nieto will co-concelebrate the Bilingual Mass.

The Blessing of the Bread will take place on the richly, decorated altar commemorating St. Joseph in the traditional color of red.

We ask you that wear something red.

This is a great opportunity to join together in fellowship with parishioners and city wide Catholics.

Bring your family, friends and neighbors to celebrate this special feast day!

Also, bring your bread or pastry to be blessed and shared at the reception.

Here are some pictures from last year.

Please bring your bread or pastry to the chapel prior to mass. There will be help provided to take bread down to the gym for the reception.

There will be a procession to the gym for the reception. Weather permitting we will follow out the front doors and process down to the gym. If bad weather, we will process thru the chapel.

For those unable to join in the procession outdoors, you will be guided to the gym.
